Dear Ms

Freedom of Information Act 2000 Request Disabled settled refugees

Council can advise that the process for resettling refugees in Northern Ireland rests with the Department for Communities rather than the Council. The model being used in Northern Ireland is different from the rest of the UK where the Home Office are liaising directly with Councils. It is therefore suggested that you forward your request to:

- **Department for Communities**

and it is suggested that you forward your request to:

- Lighthouse Building
