Dear Mr

Freedom of Information Act 2000 Request Food safety and hygiene offences

I refer to your FOI request as above. Please note that Derry City and Strabane District Council was formed under the Local Government Act (Northern Ireland) 2014 effective 1 April 2015 following a Review of Public Administration and replaces the former councils of Derry City Council and Strabane District Council. Requests made to the legacy councils since 1 April 2015 are being handled by Derry City and Strabane District Council and duplicate requests made to the legacy councils are being treated as one request.

Request:

Following the introduction of the Definitive Guideline for Health and Safety offences, Corporate Manslaughter, and Food Safety and Hygiene offences (the "Guideline"), introduced in February of last year, we would be most grateful if the Council could confirm the following information for the year 1 February 2016 to 31 January 2017:

In respect of each of the requests below, please note we require information only in respect of food safety and hygiene offences prosecuted by the Council.

Response:

I can advise the Guidelines relate to England and Wales only and are not binding in Northern Ireland therefore our response is nil.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.
