Dear Ms

Environmental Information Regulations 2004 Request Twelfth Clean up costs

Firstly can I apologise for the delay in sending through this response to your EIR request as above. I have included a response below each of the questions for ease of use, please see details outlined below:

Does council contract out the task of cleaning up after the Twelfth, or whether council staff carry out the work.

Council undertake this task in house.

Can you tell me if council staff get paid overtime, if it is the case that they themselves carry out the work? If so, what is the rate of overtime compared to the usual rate, and how many staff will be deployed?

Yes, Council staff get paid at double time plus a day in lieu or at treble time. Staffing numbers are dependent on the numbers attending the event, event route etc but typically 14 – 16 employees will be deployed for the post event clean up.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.
