17 January 2019

Mr

Email: @gmail.com

Dear

Freedom of Information Act 2000 Request Contracts Toilets Castlederg

I refer to your request under the FOIA as follows:

Request:

I ask under FOI who is responsible for cleaning of toilets in Derry & Strabane District Council since the contract run out in 2017 and Who cleaned the toilets that were outside that contract over those years in Old Strabane Council and now the new combined Councils

Response:

I advise that Council deemed this query as a follow up to our FOIA response provided to you on 09 January 2019, and have dealt with this as normal correspondence.

Your question asks about a contract that 'run out in 2017'....we presume you meant '2018' as this was the year given in our response to your earlier Freedom of Information request.

The contract that Council had with Healthmatic related to the provision of automated self-cleansing toilets in Castlederg. Any cleaning work that may have been required up until the contract ended and the toilets closed on 30th June 2018, was provided by employees of Healthmatic.

The cleaning of other toilets owned by Council has been and continues to be carried out by Council employees.

Yours sincerely

Head of Health & Community Wellbeing
