Dear Mr

**Freedom of Information Act 2000 Request Regulation of the Investigatory Powers Act 2000 (RIPA)**

I refer to your FOI request as above. Please note that Derry City and Strabane District Council was formed under the Local Government Act (Northern Ireland) 2014 effective 1 April 2015 following a Review of Public Administration and replaces the former councils of Derry City Council and Strabane District Council. Requests made to the legacy councils since 1 April 2015 are being handled by Derry City and Strabane District Council and duplicate requests made to the legacy councils are being treated as one request. Please see response below:

- Over the last five calendar years how many times or operations have you conducting using these powers? Can I have that broken down by calendar years?  
**Response: NIL**
- How long did those operations take in terms of days? – **N/A**
- Can I have that broken down by calendar years? Can you provide of list of reasons why the powers were used? (Eg pigeon feeders or the council believe that drivers are illegally parking in disabled parking bays) – **N/A**

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.
