Dear Mr

**Freedom of Information Act 2000 Request Bottled Water**

I refer to your FOI request as above. Firstly can I apologise for the delay in forwarding Councils response to you. I'm sure you're aware we have had unprecedented flooding in the area following exceptionally heavy rainfall which damaged hundreds of homes and businesses and closed major roads throughout the city and hinterland. Council have been extremely busy assessing these homes and directing emergency payments to householders. Flooding help centres have been opened and are being manned by Council staff who have been drafted in to assist from across the organisation due to the scale and nature of the situation, which has resulted in a delay in processing your FOI response.

Please find spreadsheet attached at Appendix 1 detailing Councils response to your request.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.
