Dear Mr

Freedom of Information Act 2000 Request North West Angling Fair 2017

I refer to your FOI request and respond as follows:

Request:

I am requesting any documentation in regards to funds exchanged in return for security, safety cover, etc. during the Angling fair of April 2017. Specifically in relation to any funds given to a local group by the name of "Mourne River Search and Rescue". I need to gain knowledge of whether or not the unit received any funding for the safety cover it provided, the amount they received, if any, and the name of the specific member who was given said funds if possible

Response:

No funds were paid to 'Mourne River Search and Rescue' for river safety provision during the North West Angling Fair by the Festival and Events Department or the PCSP, for the delivery of this event.

Security, crowd management and access control was managed by Pulse Security Management as per Tender
