Dear Mr

Environmental Information Regulations 2004 Request Social Housing Applications

I refer to your EIR request and advise the requested information is held by Derry City and Strabane District Council.

Request:

I am researching the social housing projects which are planned in the next five years in the Derry and Strabane areas. Can you please forward a list of the planning applications for social housing which have been received and are either pending and have been approved?

Response:

Please find attached a list of planning applications for Derry City and Strabane Council area for which the development has been described as social housing or where a social housing provider has made the application.

Please note that whilst planning permission may be granted for the development, it will be the decision of the applicant/developer as to whether the development is implemented.

If you are dissatisfied with our response, you have rights of review and appeal; these rights consist of two review processes.

Yours sincerely
