### RECORD OF COUNCILLORS' AND COMMITTEE MEMBERS' ALLOWANCES FUNDED BY COUNCIL 2016/2017

#### **Guidance Notes**

### **Background**

This annual return seeks details of allowances funded by the council under Part 3 of the Local Government Finance Act (Northern Ireland) 2011 and the Local Government (Payments to Councillors) Regulations (Northern Ireland) 2012, during the 2016/2017 financial year. Only allowances funded under Part 3 of the Act should be included in this return. Circular LG 23/2016 provides detailed guidance issued by the Department on councillors allowances and is available at the following link:-

https://www.communities-ni.gov.uk/publications/circular-lg-232016-consolidated-guidance-councillors-allowances-december-2016

### **General**

Councils are statutorily obligated, in accordance with the above Regulations, to publish a Scheme of Allowances for the payment of allowances to councillors and committee members. At the end of each year councils are also obligated to publish details of the amounts of allowances paid to each councillor and committee member. This return provides a standard format for those details to be recorded thus allowing comparisons of councillor allowances within a council and also between councils. Currently legislation does not obligate the publishing of allowances paid by councils on behalf of councillors or committee members '*incurred allowances*' (e.g. where a council pays a hotel bill on behalf of a councillor). However the Department believes all details are relevant and therefore, prior to there being a statutory obligation to publish this information, requests this information to be provided to the Department.

Table 1 records all individual councillor and committee member allowances. As councils are not obliged to publish 'incurred allowances' there are two versions of Table 1, (A and B). Table 1A records all individual councillor and committee member allowances including 'incurred allowances'. Table 1B records all individual councillor and committee members allowances except for 'incurred allowances'. Where councils decide not to publish 'incurred allowances' Table 1B will also need to be completed and then published in place of Table 1A.

Table 2 records all council collective councillor support services costs such as IT costs. As for Table 1A councils are currently not obligated to publish this data, however councils are encouraged for transparency to publish Tables 1A and Table 2. Please note that regardless of the council's publishing decision Tables 1A and 2 should be completed and returned to the Department.

Guidance on completion of the tables is provided below. If you have difficulty in completing the tables or need clarification on any item, please use the contact details below. All completed tables should be provided electronically to the email address below. Please also provide the council web links to the Scheme of Allowances and any published tables in your covering email.

## Table 1 - Individual Councillors' Allowances

Table 1A should reflect all allowances including 'incurred' travel and subsistence (T&S). If Table 1A is not being published Table 1B, which does not include 'incurred' T&S allowances, also needs to be completed.

- 1. All figures in these tables should reflect members' entitlement for the financial year 2016/2017 regardless of when the payments were actually made e.g. if a payment was made in April 2017 for 2016/2017 entitlement, that figure should be included but payments made in April 2016 for a 2015/2016 entitlement should not be included.
- 2. The name of each member receiving an allowance should be stated and all figures should be rounded to the nearest whole pound.
- 3. In this guidance note the term Chairperson means Chairperson/Vice Chairperson and Mayor/Deputy Mayor.

## **Basic and Special Responsibility Allowances**

- 4. Figures for Basic and Special Responsibility Allowances (SRA) should be gross i.e. before tax and exclude any on-costs such as employer's contributions.
- 5. A council may not pay more than one SRA to a councillor as stated in regulation 5 of the Local Government (Payments to Councillors) Regulations (Northern Ireland) 2012. As previously advised any Chairperson Allowance arrangement should be considered totally separate from SRA arrangements.

## **Chairperson Allowances**

- 6. Allowances for the period of time served by all Chairpersons during the 2016/2017 financial year should be included.
- 7. Only personal allowances payable to each Chairperson should be recorded. Expenses such as hosting a dinner or Chairperson contributions should not be included as these are council expenses.

8. T&S for Chairpersons should be treated in the same manner as all other councillor travel and subsistence allowances and should be included as applicable under 'Mileage Allowance', 'Public Transport and Other Travel and Incidentials and ' or 'Subsistence'.

## **Public Transport and Other Travel Incidentals**

9. All travel costs, excluding mileage allowance, should be recorded under the heading Public transport and Other Travel Incidentals. This should include flights and items such as toll payments or car parking as well as travel related to councillors attendance at conferences and courses.

## Table 2 - Councillors' Support Services

#### **Communications and Support**

10. This should include telephone equipment, IT equipment and Broadband, etc as provided by the council.

#### Courses/ Conferences/Visits

11. Courses/Conferences/Visits should only include costs for registration fees and other non T&S costs. All accommodation, subsistence and travel costs should be recorded under appropriate columns in Tables 1A and, where applicable, 1B.

#### **Other Costs**

12. Costs above £1,000 per support service incurred by the council to support councillors in carrying out council duties not covered in other categories in Table 2 should be specified and detailed under Other Costs. This information is collated at council level and there is no requirement for the costs to be attributed to individual councillors.
