Dear Mr

**Freedom of Information Act 2000 Request FOI requests and responses
November 2018**

I refer to your FOI request and respond as follows:

Request:

Please provide a copy of all Freedom of information requests received by the council in November 2018. This should include all responses.

Response:

As discussed by telephone, some of the attachments are too large to send by email. They have therefore been uploaded to a CD Rom which has been posted out under separate cover today. Please note, personal names, signatures and mobile numbers have been redacted where applicable due to exemption at section 40 of the FOIA - Data Protection Act 2018 (DPA) and the General Data Protection Regulation (GDPR). I attach a list of requests and responses during November 2018 for your information.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.

Firstly our internal review procedure is available by contacting:

I would advise however, the Information Commissioner has indicated that a review will not be undertaken unless the Council has first had an opportunity to re-consider its decision.

Yours sincerely
