Dear Mr

**Freedom of Information Act 2000 Request Suppliers of goods & services**

I refer to your FOI request as above. Please see attached excel spreadsheet in part response.

Please note that Derry City and Strabane District Council was formed under the Local Government Act (Northern Ireland) 2014 effective 1 April 2015 following a Review of Public Administration and replaces the former councils of Derry City Council and Strabane District Council. Requests made to the legacy councils since 1 April 2015 are being handled by Derry City and Strabane District Council and duplicate requests made to the legacy councils are being treated as one request.

As you are aware, Section 12(1) of the FOIA contains a provision which allows a public authority to refuse to comply with a request for information where the cost of compliance is estimated to exceed a set limit known as the appropriate limit. For local authorities, this limit is set at £450 - The Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulation 2004 SI 2004 No 3244 refers.

Given the number of suppliers of goods and services requested, it is however not possible to provide email addresses for same as this information is not recorded in our database. To supply this information would incur significant work which would exceed the set limit for FOI requests as referred to above. The exemption allowed in Section 21 of the FOIA also applies as the information is already reasonably accessible elsewhere, ie from an internet search.
