Dear Ms

**Environmental Information Regulations 2004 Request Private Drinking Water  
Abstractions**

I refer to your EIR request as above and respond as follows:

The Environmental Health Service currently holds no records of private drinking water abstractions within a 1km radius of the site. You may wish to contact the Northern Ireland Environment Agency Water Management Unit of the Department of Agriculture, Environment and Rural Affairs to determine if they have any records.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.

Firstly our internal review procedure is available by contacting:
