Dear Mr

Environmental Information Regulations 2004 Request Oil Stamps

I refer to your EIR request and respond as follows:

Council contract Strabane Community Project (SCP) to run and administrate a Fuel Stamp project throughout the Council area. SCP have worked closely with Bryson Energy in setting up an oil buying club in the region. Figures extracted from SCP's report to the Public Health Agency indicate a total of 21,038 stamps were sold in the council area for the calendar year 2018 (1st Jan – 31st Dec).

Strabane Community Project can be contacted by telephoning 028 7188 3102 or e-mail fuelstamps@strabanecommunityproject.org.uk should you require any further information.

If you are dissatisfied with our response you have rights of review and appeal; these rights consist of two review processes.

Firstly our internal review procedure is available by contacting:

John Kelpie

Tel: 0303 123 1113 (local rate) or email: casework@ico.org.uk

I would advise however, the Information Commissioner has indicated that a review will not be undertaken unless the Council has first had an opportunity to re-consider its decision.

Yours sincerely

Energy Manager
