Subject: Contact Information for NI Ethnic Community Groups

Dear

Thank you for your recent email, but due to our data protection policy we cannot provide you with the contact details of our community groups.

If you forward all the relevant information to me I can forward this onto the group plus include it in our next Good Relations E bulletin.

I hope this meets your needs.

Regards

Good Relations Officer

Health and Communities Directorate

Derry City and Strabane District Council

98 Strand Road
