Product Type	Childcare articles and children's equipment – Pushchair
Product Identifiers	Brand: iCandy Barcode: 010334057118 Batch: E000778
Product Description	A black plastic, four-wheeled pushchair with grey hood, often supplied as part of a travel system set. Affected front wheel forks may also have been supplied as spare parts. Affected products were sold between March 2024 and August 2024, or used to repair a front end featuring fixed front wheels instead of quick release wheels on Orange 1/2/3 brands in the same time period.
Country of Origin	China
Counterfeit	No
Risk Level	Serious
Risk Type	Injuries
Risk Description	Affected pushchairs present a serious risk of injuries as a potential manufacturing weakness in the injected plastic moulded front wheel fork has been identified. This may result in the front fork cracking causing the pushchair to abruptly stop or collapse during use, causing the baby to fall from the pushchair if not correctly harnessed. The affected products do not meet the requirements of the General Product Safety Regulations 2005.
Corrective Measures	The product has been recalled from end users. Owners should stop using affected products immediately and access the iCandy recall page to register for replacement forks at the following link: https://www.icandyworld.com/voluntary-recall-notice-icandy-orange
